SECTION I

LIST OF CURRENT PUBLICATIONS AND CHANGES

Publications classified CONFIDENTIAL or SECRET are identified by the symbols

[C] or [S], respectively, preceding the number. In some cases the title of a classified publication is itself classified. In such instances, the title is not given in the numerical lists, and such publications are not indexed in section III.

The symbol [O] preceding the number indicates that the publication is classified FOR OFFICIAL USE ONLY (AR 380-1).

The symbol [R] denotes a publication classified RESTRICTED - SECURITY INFORMATION prior to 15 December 1953, whose status is still under review (DA Cir 127, 1953).

CONFIDENTIAL and SECRET publications are distributed only to interested headquarters and to individuals on a need-to-know basis. These publications must be safeguarded in accordance with AR 380-5.

The star (★) indicates material not previously listed.
